

Meet the International Knowhow Group

Our International Knowhow Group, a cross-practice group of specialist Knowledge Lawyers and Counsel, meets regularly to share news of legal and regulatory developments of relevance to our cross-border work and to explore opportunities to collaborate with our overseas network firms on multi-jurisdictional thought leadership and joint client training projects. The Group is chaired by Rachel Woodburn, our Director of Knowledge and Learning.

If you would like to know more or have something to share with the Group, please do get in touch with Rachel or any of the Group contacts named below.
